Action, and request copies of the references. To date the references have not been received. The Applicant again requests that the newly cited references forming the basis of the rejection be fully identified, and copies of the references be provided according to MPEP Section 707.05(a).

In addition, the Applicant request that the period for responding to the action which started to run on 5/8/01, be tolled and reset in accordance with MPEP Section 710.06. This request is being made within 1 month of the mailing date and hence the previously set three month response period should be restarted from the date the error is corrected.

Respectfully submitted,
